

# Say Hello, Wave Goodbye

## Soft Cell

Standin' at the door  
Of the Pink Flamingo  
Crying in the rain  
It was a kind of so so love  
And I'm gonna make sure  
It doesn't happen again You and I, it had to be  
The standing joke of the year  
You were a sleep around  
A lost and found  
And not for me I fear Take your hands  
Off me, please  
I don't belong to you, you see  
Take a look in my face  
For the last time  
I never knew you  
You never knew me  
Say hello, goodbye Say hello and wave goodbye We tried to make it work  
You in a cocktail skirt  
And me in a suit  
But it just wasn't me  
You're used to wearing less  
And now your life's a mess  
So insecure you seem Well I put up with all the scenes  
And this is one scene  
That's goin' to be played my way Take your hands  
Off me  
I don't belong to you, you see  
Take a look in my face  
For the last time  
I never knew you  
You never knew me  
Say hello, goodbye Say hello and wave goodbye  
Say hello and wave goodbye Under the deep red light  
I can see the make up sliding down  
Well hey little girl  
You will always make up  
So take off that  
Unbecoming frown What about me? Well  
I'll find someone

Who's not going cheap  
In the sales  
A nice little house wife  
Who'll give me a steady life  
And won't keep going off the rails  
Take your hands  
Off me, please  
I don't belong to you, you say  
And take a look in my face  
For the last time  
I never knew you  
You never knew me  
Say hello, goodbye  
Say hello and wave goodbye  
Say hello and wave goodbye  
Say hello and wave goodbye  
Wave goodbye  
Say hello and wave goodbye  
Say hello, wave goodbye  
Goodbye  
Say goodbye  
Say goodbye  
We were born before the wind  
Who were we to understand  
We were born before the wind  
Say goodbye  
Through the rain, hail, sleet and snow  
Say good bye  
And I'm trying, trying, trying  
To say goodbye  
Say goodbye  
Say goodbye  
Say goodbye  
In the wind and the rain my darling  
Say goodbye  
In the wind and the rain my darling
