

# Always Be With You

## Walking On Cars

ooh, baby  
How you make me feel like you do  
    You're so cool  
A lifetime's worth my waiting  
    You baby  
When you know the lovin' is true  
    You're so fine  
That I just can't stop dancing  
    Baby tell me can you feel it  
    Don't put up a fight  
Destiny is waiting in the starlight  
[CHORUS]Baby if I had one wish  
    It would be to dance like this  
  
And to hold you tight, all night  
    And always be with you  
    Try baby,  
    Try and understand what I do  
    Don't you cry  
'cause you're all I'm wishing for baby  
    Baby tell me can you feel it  
    Don't put up a fight  
Destiny is waiting in the starlight  
[CHORUS]Then  
    Baby if my wish came true  
    I would stay and dance with you
