

The Sweetheart Of Sigma Chi

Dean Martin

The girl of my dreams is the sweetest girl
Of all the girls I know
Each sweet co-ed like a rainbow trail
Fades in the afterglow
The blue of her eye and the gold of her hair
Are a blend of the western sky
And the moonlight beams on the girl of my dreams
She's the sweetheart of Sigma Chi
Oh, the blue of her eye and the gold of her hair
Are a blend of the western sky
And the moonlight beams on the girl of my dreams
She's the sweetheart of Sigma Chi
