Synthetic Generation

Deathstars

I play hell, you play heaven
I'm deaths own little star...
Can you trace the sins that haunt you,
And play the devil's cards as I do?I am all that you see,
I am all that you want me to be!I am god and so the antichrist
I'm blessed, yet damned
I'm fallen, yet resurrected
I'm all of nothing!I play death, you play life, triple sixes to rise...
Can you see the visions I brought you,
And the devilish games that I taught you?I am all that you see,
I am all that you want me to be!I am god and so the antichrist
I'm blessed, yet damned
I'm fallen, yet resurrected
I'm all of nothing!Synthetic generation...
Stop not, it's indifference high you must know...I am all that you see,
I am all that you want me to be!I am god and so the antichrist
I'm blessed, yet damned
I'm fallen, yet resurrected
I'm all of nothing!
