Glory & Consequence

Ben Harper

I'm more afraid of living
Than I am scared to die
I'm more afraid of falling
Than I am of flying high
Every moral has a story
And every story has an end
Every battle has its glory
And its consequence
I'm more afraid of loving
Than I am of being scorned
But I will keep on trying
Though I have been forewarned
Every moral has a story
And every story has an end
Every battle has its glory
And its consequence
And its consequence
I would rather me be lonely
And you have someone to hold
I'm not as scared of dying
As I am of growing old
