Jump

Joshua Tazman

I took her to the edge of the night
And we stared into the dark
I held her hand and kissed her lips
But I didn't have her heart

I saw the pain beneath her silver eyes
I saw the love she tried too hard to hide
So all I said was take a step and fly
You don't need to be afraid

I said jump, jump
I promise it won't hurt
Jump, jump
Jump, jump
I promise I won't break your heart
I'll catch you if you fall

But she stepped back and let go of my hand
I cried out but she didn't understand
So I followed the tear stains that she left in the sand
Hoping she would hear

I cried and told her jump, jump
I promise it won't hurt
Jump, jump
Jump, jump
I promise I won't break your heart
I'll catch you if you fall

And if you cut yourself off from everyone
You'll only hurt the ones you love
So please come back and take this jump with me
Or you'll never be, never be, never be free

I took her to the edge of the night...

And I said jump, jump
I promise it won't hurt
Jump, jump

Jump, jump
I promise I won't break your heart
I'll catch you if you fall
If you fall
Jump, jump
I promise I won't break your heart
