Shout Shout

Alexis Jordan

Yeah, yeah-eh, hey-oh
Hey, hey, hey, heyOh yeah, know that you shine right through my heart
I wanna break you down to pieces part by part
I wanna serve you up a plate of hater hole
But this platter's gonna be best served coldAnd I ain't playin', ooh boy
See I gave you a minute just to give you time to breathe
And I'm friendly but you don't know that I'm the enemy
And I've felt this soul inside for much too long
And for all those times I hurt, I'm gonnaShout, shout, let it all out
These are the things I can do without
Come on, I'm talkin' to you
Come on, heyFor the way you always lied and treated me
Did you forget your indiscretion so easily?
And now my mission is to break your soul in three
'Cause the battle you won, but the war is a different storyOoh boy
See I gave you a minute just to give you time to breathe
And I'm friendly but you don't know that I'm the enemy
And I've felt this soul inside for much too long
And for all those times I hurt, I'm gonnaShout, shout, let it all out
These are the things I can do without
Come on, I'm talkin' to you
Come on, heySo now I'm gonna
Shout, shout, let it all out
These are the things I can do without
Come on, I'm talkin' to you
Come on, heyAnd you'll never know it
And when you're takin' down your guard
If I could change your mind
I'd really love to break your heart
I really wanna, hey
I'd really love to break your heart, heyI'm gonna
Shout, shout, let it all out
These are the things I can do without
Come on, I'm talkin' to you
Come on, heyShout, shout, let it all out
These are the things I can do without
Come on, I'm talkin' to you
Come on, hey
