Rock 'n Roll Creation

Spinal Tap

When there was darkness and the void was king
And ruled the elements
When there was silence and the hush was almost
DeafeningOut of the emptiness
(Salvation)
Salvation, rhythm and light and soundIt was the rock and roll creation
It was a terrible big bang
It was the ultimate mutation
Ying was searching for his yang
And he looked and he saw that it was goodWhen I'm alone beneath the stars
And feeling insignificant
I turn within to see
The forces that created meI look to the stars
And the answer is clear
I look in the mirror
And see what I fearIt is the rock and roll creation
It is an absolute rebirth
It is the rolling of the ocean
And the rocking of the earth
And I looked and I saw that it was good
