

# Rock 'n Roll Creation

## Spinal Tap

When there was darkness and the void was king  
And ruled the elements  
When there was silence and the hush was almost  
Deafening Out of the emptiness  
(Salvation)  
Salvation, rhythm and light and sound It was the rock and roll creation  
It was a terrible big bang  
It was the ultimate mutation  
Ying was searching for his yang  
And he looked and he saw that it was good When I'm alone beneath the stars  
And feeling insignificant  
I turn within to see  
The forces that created me I look to the stars  
And the answer is clear  
I look in the mirror  
And see what I fear It is the rock and roll creation  
It is an absolute rebirth  
It is the rolling of the ocean  
And the rocking of the earth  
And I looked and I saw that it was good
