All I've Ever Wanted

Slushii

I'm going through the motions
Trying to find my way back to you
I'll show you my emotions
If you prove to me you'll always be true
And all I ever wanted was you
Forget about the rest of us
Let me be the only one by your side
Along for the rideI'm going through the motions
Trying to find my way back to you
I'll show you my emotions
If you prove to me you'll always be true
And all I ever wanted was you
Forget about the rest of us
Let me be the only one by your side
Along for the ride
