

# Love profusion (Ralph Rosario House Mix)

## Madonna

There are too many questions  
There is not one solution  
There is no resurrection  
There is so much confusionAnd the love profusion  
You make me feel  
You make me know  
And the love vibration  
You make me feel  
You make it shineThere are too many options  
There is no consolation  
I have lost my illusions  
What I want is an explanationAnd the love profusion  
You make me feel  
You make me know  
And the love direction  
You make me feel  
You make me shine  
You make me feel  
You make me shine  
You make me feelI got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skinThere is no comprehension  
There is real isolation  
There is so much destruction  
What I want is a celebrationAnd I know I can feel bad  
When I get in a bad mood  
And the world can look so sad  
Only you make me feel goodI got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skinI got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skinAnd the love profusion  
You make me feel  
You make me know  
And the love intention  
You make me feel

You make me shine  
You make me feel  
You make me shine  
You make me feel I got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skin  
I got you under my skin  
And I know I can feel bad  
When I get in a bad mood  
And the world can look so sad  
Only you make me feel good
