

Back to Love

Bobby V

Intro:

Hey, howâ€™s everybody doinâ€™?
Just wanna welcome you all out till the sky burns
Beautiful young ladies about to show you to your seats
Hope you have a good time

Verse 1:

Good morning friends, how ya doing?
Itâ€™s so nice to see you again
And I ainâ€™t seen you around in a minute
You know itâ€™s nice to see your face
I wanna talk to you for a while, now that I have time
I wish that I could read your mind
And I wish that you could read mine
We could reach for something else
We could try for something new

Chorus:

Letâ€™s go back to love, back to love
Just me and you girl
Just me and you girl
So baby lets go back to love, back to love
Just me and you
Letâ€™s go back to love, back to love
Just me and you

I want to, I want to
Give it to you, give it to you
I want to, I want to
Give it to you, give it to you
I want to give it to you

Verse 2:

Good night to you, my soul flower
I hope you wish upon my star
Lets take a trip to the peach moon
Girl I know itâ€™s new for you
You know I want you here for a while
Just to wake uâ€™— to your â€™,
Ima make you worth your while

Ima go the extra mile

We could reach for something else
We could try for something new

Chorus:

Let's go back to love, back to love
Just me and you girl
Just me and you girl
So baby lets go back to love, back to love
Just me and you
Let's go back to love, back to love
Just me and you

I want to, I want to
Give it to you, give it to you
I want to, I want to
Give it to you, give it to you
I want to give it to you

I want to, I want to
Give it to you, give it to you
I want to, I want to
Give it to you, give it to you
I want to give it to you

Just me and you girl
Just me and you girl
Let's go back to love, back to love
Just me and you
Let's go back to love, back to love
Just me and you
