

# Sold My Soul

## Mercyful Fate

I sold my soul to you  
I sold my soul  
To the devil his due  
I, I sold my soul I sold my soul  
And I sold yours too  
To the devil we're due  
Oh, I sold my soul That night was the darkest of all  
That night I sold my soul to you  
To the devil his due  
I sold my soul No point in turning around  
There's no way out of here, no  
No point in turning around  
Just live with the fear That night was the darkest of all  
That night I sold my soul to you  
To the devil his due So many angels were falling from the sky  
So many angels would have to die A black candle in my hand  
A pact between God and man  
Oh, Your Majesty  
This time I have to know I sold my soul to you  
I sold my soul  
To the devil his due  
I, I sold my soul I sold my soul  
And I sold yours too  
To the devil we're due That night was the darkest of all  
That night I sold my soul to you No point in turning around  
There's no way out of here, no  
No point in turning around  
Just live with the fear That night was the darkest of all  
That night I sold my soul to you  
To the devil his due So many angels were falling from the sky  
So many angels would have to die
