God Blocked It

[Kurt Carr](#)

There were dangers awaiting me
Destruction was sure to be
But thank God for angelsThat were shielding and protecting
And looking out for me
Thank You, LordThe Devil had a plan to kill me, I know
But God intercepted his plan
And told the Devil, "No"God blocked it
He wouldn't let it be so
No, He wouldn't let it be soHaven't lived a perfect life
Seems I've done wrong more than I've done right
But thank God for compassion and forgiveness
That kept me from a terrible plightYou see
My life was spinning out of control
The fact that I'm still a live today
Ain't nothing, nothing but a miracleGod blocked it
He wouldn't let it be so
No, He wouldn't let it be soFor I've got work to do, work to do
God wouldn't let me die
Because He knew I had work to do
Oh yesAnd I've got life to live
There are blessings
He want is to giveGod blocked it
He wouldn't let me fall
No, He wouldn't let it be soGod blocked it
He wouldn't let it be so
It was the Lord
Nobody but Jesus
