

# Go Away

## Reel Big Fish

She was never what I wanted  
I just wanted someone else  
Now I'm sittin' here alone  
I'm sittin' here all by myself And everybody loves me  
And they want me to be their boyfriend  
She's the only one for me  
I don't want to see her again Why can't she just go away?  
I can't get her out of my brain  
Why can't she just go away?  
Why can't she just go away?  
Why can't she just go away?  
Just go away  
Go away Why can't she just go away?  
I'd only want her to stay  
Why can't she just go away?  
Why can't she just go away?  
Why can't she just go away?  
Just go away  
Go away
