Come Together (2002 - Remaster)

Peter Tosh

You better come together
Learn to love one another
We got to come together
Learn to love one anotherWe got to come together
Learn to love your brother
We got to come together
Learn to love your sisterOne eye can't see
One ear don't hear
One hand can't clap
One foot don't runWhere do we go from here
Here, there or nowhere
I said where do we go from here
Here, there or nowhereOne eye can't see
One ear don't hear
One hand can't clap
One foot don't runBirds unite
Fishes unite
Animals unite
Mankind still fightOne eye can't see
One ear don't hear
One hand can't clap
One foot don't run
