

The Lottery Song

[Harry Nilsson](#)

You could do the laundry
I'll come by on Monday
You give me the money
I will buy a ticket On the local lottery
We could win the lottery
We could go to Vegas
And be very happy I could be a plumber
We could wait till summer
We could save our money
Have a fine vacation We could buy a trailer
If we bought a trailer
We could go to Vegas
And be very happy If life is just gamble
Gamble if you want to win
Life can be so easy
Let the wheel of fortune spin We could make a record
Sell a lot of copies
We could play Las Vegas
And be very happy If life is just gamble
Gamble if you want to win
Life can be so easy
Let the wheel of fortune spin
