

# Been Caught Cheating

## Stereophonics

I know your time  
Is on your mind,  
Since I'm away  
I heard a cry,  
Yes, you've been caught  
Caught cheating on me. I know your kind  
You get around  
But I give you  
All of my time,  
Yes, you've been caught  
Caught cheating on me. Now I love you  
Like the way I'm meant to do,  
Yes, I love you  
Like the way I'm meant to do  
But you've been caught  
Caught cheating on me. I know you lie  
Down the line,  
When I get back  
You look in my eye  
Yes you've been caught  
Caught cheating on me. Yes you've been caught  
Caught cheating on me. But I love you  
Like the way I'm meant to do,  
Yes I love you  
Like the way I'm meant to do,  
But you've been caught  
Caught cheating on me.
