Now the top of the mound is what we sitting on  
Balling like we supposed to  
The level that we sitting in now ain't nobody close to  
Everything that mean something is what we came for  
I'm going home with it all, that's how the game go  
I'm on the way to the top, I know the way to go  
We just want the world while it's spinning  
That's what we playing for  
Nothing new here so what I gotta do here?  
I like it, I love it, I just might bring the whole crew here  
Stay for two years and get to acting like I grew here  
Next thing you know, you look up, I [?]  
Everything that mean something is what we came for  
I'm going home with it all, that's how the game go  
I'm on the way to the top, I know the way to go

We just want the world while it's spinning  
That's what we playing for I give it all for the dream (Ha-Ha)  
I give it all for the dream (Champion)  
I give it all for the dream (Bring it)  
Khushi aayi aayi aayi aayi aayi aa (Rab-raka)
