

You

Radiohead

You are the sun and moon and stars are you
And I could never run away from you You try at working out chaotic things
And why should I believe myself not you?
It's like the world is going to end so soon
And why should I believe myself? You me and everything caught in the fire
I can see me drowning, caught in the fire
You me and everything caught in the fire
And I can see me drowning, caught in the fire
