

# Fall In Line

## Seven Places

If youre sitting down get on your feet  
Lets wake up those who are asleep  
March on, left to right to left again  
Our feet in sync to this rhythm  
Conducted by the hand of the saving One  
Report fall in line, big mission with little time  
Salute, stand tall with one voice answer the call  
Hear us say Jesus  
Where are we while the world caves in  
Are we showing love or hate, are we enemy or friend  
What was black and white has now turned grey  
Lets right this wrong with love today  
Stand our ground with a helping hand  
Report fall in line, big mission with little time  
Salute, stand tall with one voice answer the call  
Hear us say Jesus  
We got something to say, got something to say  
Hear us say Jesus  
Is alive and well, alive and well today  
Halle Hallelujah  
Halle Hallelujah  
So sing it out now, with one voice loud and clear  
Sing Hallelujah, for our Redemptions near  
So sing it out now, with one voice loud and clear  
Sing Hallelujah, for our Redemptions near  
Hear us say Jesus  
Hear us say Jesus  
Were not messing around  
Its time for us to stand up and speak the truth of His love  
Its time to let the world know weve got something to say  
We got something to say  
Its time for us to lift our hands 'til the world understands  
Jesus the reigning King is alive and well  
alive and well today  
Jesus the reigning King is alive and well  
alive and well today  
So sing it out now, with one voice loud and clear  
Sing Hallelujah, for our Redemptions near  
So sing it out now, with one voice loud and clear  
Sing Hallelujah, for our Redemptions near
