This One Goes Out To...

Catch 22

Staring out the window
Of somebody's pickup truck
Well, I never mind the boredom
'Cause I use it for a crutchJust to get me to that plane
It's a different state of sane
And everytime I try to change
I always end up quite the sameThinking back to happier days
When everyone was ignorant
And all the kids behavedBut me and my friends
And the ice-cream man
That was our existence
That was our clanThis one goes out to
The friends I never hadHey, I don't understand it
But I'd like to anyway
Hey, I don't understand it
But I like it anyway
Hey, I don't understand
But I like you anywayI don't understand
Hey, I don't understand
I don't understand
I don't understandShelter in the city
We decided to go in
And I gave a man some money
Yeah, to buy heroinBut the homeless guy
Returned and he gave me back a dime
He said, "Put it in your sock, my friend
And save it for another time"But lessons are learned
And later unlearned
If he knew then what he knows now
Well, he could rule the worldBut I'm not one to judge
What happened yesterday
'Cause I got me, I got myself
My future is at stakeThis one goes out to
The friends I never hadHey, I don't understand it
But I'd like to anyway
Hey, I don't understand it
But I like it anyway
Hey, I don't understand
But I like you anywayI don't understand

I don't understand
I don't understand
Hey, I don't understandShelter in the city
We decided to go in
And I gave a man some money
Yeah, to buy heroinBut the homeless guy
Returned and he gave me back a dime
He said, "Put it in your sock, my friend
And save it for another time"But lessons are learned
And later unlearned
If he knew then what he knows now
Well, he could rule the worldBut I'm not one to judge
What happened yesterday
'Cause I got me, I got myself
My future is at stakeThis one goes out to
The friends I never hadHey, I don't understand it
But I'd like to anyway
Hey, I don't understand it
But I like it anyway
Hey, I don't understand
But I like you anywayI don't understand
I don't understand
I don't understand
Hey, I don't understandI don't understand
I don't understand
I don't understand
I don't understand
