

Once Around the Weekend (Alternate Mix)

Paul Westerberg

I stay in every night of the week
They try but I won't speak
To be my friends
You'll see me once I'm on the mend
Oh man once around the weekend
Oh man once around the weekend I watch myself fall apart
I watch the rabbits in my yard
There goes another round the bend
I gotta sweep this floor again Well I won't go out to relax
And if you look hard you might see my tracks
They call and try and be my friends
I gotta sweep this floor again
Oh man
Oh man
