

# Speak when you're spoken to

## The Spook School

I dream of meeting boys in the rain  
dreams of a boy at the back of my brain  
Oh boy you'll speak when you're spoken to  
I've always dreamed of telling you what to do  
My voice never seems to break through  
I'm always silent when I'm around you  
Scared of boys who only speak when they're spoken to  
I've always dreamed of telling you what to do I'll throw my heart in your face  
And you can put me back, back in my place  
You know I like it when you tell me what to do  
I only speak, speak when I'm spoken to  
I've been waiting out in the rain  
but my boy never seems to look my way  
Oh boy you'll speak when you're spoken to  
I've always dreamed of telling you what to do  
Every boy just reminds me of you  
And when they speak I dream of speaking to you  
Scared of boys who only speak when they're spoken to  
I've always dreamed of telling you what to do
