Ooh ooh

Ah

Ooh ooh

Ooh ooh

Ye

Ooh ooh I could wait all night and day

To go to a party sit down and wait

Give my request to the DJ 'cause my song he's gotta play

And when I hear that beat

I get my body up out my seat

I grab a guy and move my feet

He's playin' my song Play, come on play that song

Play it all night long

Just turn it up and turn me on

Play, come on DJ play that song you know that turns me on

(Dj just play that song)

Just turn it up and turn me on Dj just play that song, 'cause I want to be dancing all night long

Just play my, play my, play my, play my, play my favorite song I don't care if everybody's gone turn it up 'cause
it turns me on

Keep dancing all night long, feels so right that it can't be wrong

I get chills up and down my spine whenever I hear that song of mine

When it stops better press rewind

Let me hear it one more time! Play, come on play that song

Play it all night long

Just turn it up and turn me on

Play, come on DJ play that song you know that turns me on

(Dj just play that song)

'Cause I want to be dancing all night long Play, come on play that song

Play it all night long

Just turn it up and turn me on

Play, come on DJ play that song you know that it turns me on

(Dj just play that song)

'Cause I want to be dancing all night long I just want to dance, is that a crime?

Alright then

(Yeah that's the hotness right here)

Play, come on play that song ,play it all night long, just turn it up and turn me on

(Now mr. Dj I've asked you 3 times already just play my mother fuckin' song!) Play, come on DJ play that song

you know that it turns me on

(Dj just play that song)

Just turn it up and turn me on Play, come on play that song

Play it all night long

Just turn it up and turn me on

Play, come on DJ play that song you know that it turns me on

(Dj just play that song)

'Cause I want to be dancing all night long Play, come on play that song

Play it all night long

Just turn it up and turn me on

Play, come on DJ play that song you know that it turns me on

(Dj just play that song)

Just turn it up and turn me on
