Slam!

Container 90

Right is yours, demonstrate (demonstrate)
Smoking to suffocate (suffocate)
Carnival they got my body (they got my body)
Nothing to compensate (compensate)
You ain't that kind of carnival, baby
Carnival like never before
You ain't the king over all the world, baby
Cause the whole world ain't got no rule
[chorus:]Slaaaaaam!
Slam! Comin' with me
Slam! Comin' with me
Slam! Comin' with me
Slam! Comin' with me
Slaaaaam!
Slam! Comin' with me
Slam! Comin' with me
Slam! Comin' with me
Slam! Comin' with me
Cryptical is my place (is my place)
Rebellions of a race (of a race)

Carnival they got my body (they got my body)
I can run, they can chase (they can chase)
You ain't that kind of carnival, baby
Carnival like never before
You ain't the king over all the world, baby
Cause the whole world ain't got no rule
[chorus]Parisites crawl inside you
Let them come take over you
Feel them run inside of you
I bet that day will break you
You ain't that kind of carnival, baby
Carnival like never before
You ain't the king over all the world, baby
'cause the whole world ain't got no rule
[chorus: x2]
