What's Wrong With My Children LYRICS

Artist: Mike Adkins

From the Album: Thank You For The DOVE

What's wrong with My children?
Why won't they praise Me?
Am I not the King of kings?
Am I not the Lord of lords?

What's wrong with My children?
Why won't they praise Me?
I've given them everything
Yet they have no joy.

Did I not roll back the sea?
Suffer on Calvary?
I'm Alpha Omega
The Beginning, the End
Though I supply their needs
They seldom speak to Me
What's wrong with My children?
Am I not their Lord?

What's wrong with My children?
Why won't they praise Me?
Am I not the King of kings?
Am I not the Lord of lords?

What's wrong with My children?
Why won't they praise Me?
I've given them everything
Yet they have no joy

They assemble in My Name
And sing of their love for Me
Yet the song's not of the heart
And I can't hear them sing
Are they ashamed of Me?

Afraid someone will see
If they lift their hands toward heaven above in honor of Me?

What's wrong with My children?
Am I not the King of kings?
Am I not the Lord of lords?

What's wrong with My children?
Why won't they praise Me?
I've given them everything
Yet they have no joy
