jebalI hid this, I tell you something
I can't stand burying this inside anymore
It hurts too much anyway
So I really can't stand it
Now cry, I'm just so sorry
Again cry, because I couldn't protect you
Deeper and deeper, the scars just get deeper
Like broken glass that can't be pieced back together
Deeper, my heart aches more every day
You took my sin
You were so weak
Stop crying, tell me something
Tell me, who didn't have the courage
"Why did you do that back then"
"Sorry"
Whatever, what right do I have?
Do this, do that
I told you
Deeper and deeper, the scars just get deeper
Like broken glass that can't be pieced back together
Deeper, my heart aches more every day
You took my sin
You were so weak
I'm sorry, I'm sorry,
I'm sorry ma brother
I hide it, I cover it but I can't erase it
"Are you calling me a sinner?"
What more is there to say?
I'm sorry, I'm sorry,
I'm sorry ma sister
I hide it, I cover it but I can't erase it
So cry
Please dry my eyes
The light is shining on my sin
Red blood that can't go back is flowing down
Deeper every day, I feel like dying
Let me receive the punishment
Atone my sin
Please
