

Down From Here

Stereomud

The longest day
The longest day of my life
And honestly I'm right on the edge of descending
Big finger point
I'm not afraid
It's starting to be the way that I want it
Tell me
What else left to say?
Tell me
Don't bring me down from here
Me down from here
Don't bring me down from here
Me down from here
As simple as a lack of communication
Can you tell me?
If not the case then why in the fuck did you judge me
Big finger point
I'm not afraid
It's starting to be the way that I want it
Tell me
What else left to say?
Tell me
Don't bring me down from here
Me down from here
Don't bring me down from here
Me down from here
Did you think that
We would forget this?
Tell me
What else left to say?
Tell me
Don't bring me down from here
Me down from here
Don't bring me down from here
Me down from here
Don't bring me down from here
There's nothing left to say
There's nothing left to say
