Rocking Horse

Donna The Buffalo

Take me back to an easy life,
Robin Hood and Marian,
A lone ranger on a silver horse.
Make believe in a box of sand,
Bang, bang, we all fall down.
Just about dinner time
I'm eatin' bullets. Come on Fury - take me for a ride.
Rocking Horse. Rocking Horse
Rocking Horse. Rocking Horse
Sun down with a chorus girl,
Ragtime and whiskey pour.
Midnight in a rented room
With a key inside the bedroom door.
Bang, bang, we all fall down.
Just about out of my mind.

Come on Lily. Come on honey - take me for a ride.
Rocking Horse. Rocking Horse
Rocking Horse. Rocking Horse
Last chance for an easy life
Double down and let it ride.
Lone ranger with a silver bullet
For the one arm man inside.
Bang, bang, we all fall down.
Just about run out of time.
Come on seven. Come on eleven - take me for a ride.
Rocking Horse. Rocking Horse
Rocking Horse. Rocking Horse
