The Litter

Look, I see a lot of people crying
Wonder what it's all about
Seems to be a vessel somewhere
Wonder what it's all aboutYou had changed your way so many times
Could it be you're losing time?Time to rectify all your sadnessWe are hoping and we are seeing
What you haven't seen before?
And if you listen we will show you
How to open up that door
Time to rectify all your sadnessWe all know it's hard to find
Something in this life that's good
But if you search and keep on trying
You could find it if you could
You had changed your way so many times
Could it be you're losing time?Time to rectify all your sadness
Time to rectify all your sadness
Time to rectify
