

Let Them Love

Kandi

Oh-oh-oh-oh
Oh-oh-oh-oh-oh You ain't got a right to judge
Who a person loves
(Loves, loves, loves)
Who are you to say it ain't right
Or they're not good enough
(Enough, enough, enough) If it ain't meant to be
It'll end on its own
(Own, own, own)
So you can stop trying to
Step between a love that they want
You're sitting here lonely
You're sitting here by yourself
So stop giving advice
On relationships to everybody else Let a person love
Who they love
Cause you don't have to be
By their side when they wake up
Let a person love
Who they love
Why would you wanna be the cause
Of someone's breakup
Just let them love You always have a negative word
And it's ruined it once
Whenever you have a word to say
It ain't ever good
You won't be happy til
They finally break down
It's so sad that you waiting
For a heartbreak to come about You're sitting here lonely
You're sitting here by yourself
So stop giving advice
On relationships to everybody else Let a person love
Who they love
Cause you don't have to be
By their side when they wake up
Let a person love
Who they love
Why would you wanna be the cause

Of someone's breakup
Just let them love Oh-oh-oh-oh
(Let them love)
Oh-oh-oh-oh
Oh-oh-oh-oh
(Let them love) Oh-oh-oh-oh
(Let them love)
Oh-oh-oh-oh
Oh-oh-oh-oh
Love It ain't about money
Or the car you drive
Can't take that with you
On the day you die
It's all about the person
That makes you smile
That's what makes it worth while Let a person love
Who they love
Cause you don't have to be
By their side when they wake up
Let a person love
Love, love
Who they love
Why would you wanna be the cause
Of someone's breakup
Just let them love Oh-oh-oh-oh
Oh-oh-oh-oh
Oh-oh-oh-oh
