

Everything (That's Mine)

Nuggets II

I give you love as sweet as honey
My life, my soul and all my money
I give you everything
Everything that's mine

I buy you rings and the things so nice
The sweetest things that scare most buyers
I give you everything
Everything that's mine

I give you all the stars above
And all the skies can tell my love
I give you everything
Everything that's mine

Tell me right now what you think of me

I buy you rings and the things so nice
The sweetest things that scare most buyers
I give you everything
Everything that's mine

I give you all the stars above
And all the skies can tell my love
I give you everything
Everything that's mine
Everything that's mine
Oh, everything that's mine
