Stand

Lisa Lisa

( ) denotes back up vocalsI know Im not the only one
To ever stand alone in the dark
Not knowing how Im going to carry on
But sure I never will surrender
I know exactly who I am
And that theres a purpose and a plan (purpose and a plan)(Chorus)
So I will stand (stand)
With my head held high (stand)
Even though Im up against the wind (stand)
And I know I will survive (stand)
It is my destinyI believe that theres a higher love
Its given me the power
To find my way through the worst of times
Turn them into my finest hour
And with that strength I will move on
No matter how hard I wont fall down(Chorus)
So I will stand (stand)
With my head held high (stand)
Even though Im up against the wind (stand)
And I know I will survive (stand)
It is my destinyOooo-ooo-oooo-ooo
Oooo-ooo-oooo-ooo
Yea hey yeaI know in my life (in my life)
I made my own choices (paid the price)
With my share of losses (but each time)
I only get stronger
And I know I've got the power inside(Chorus)
To stand (stand)
With my head held high (stand)
Even though Im up against the wind (stand)
And I know I will survive (stand)
It is my destiny (ooh)Stand (stand)
With my head held high (stand)
Even though Im up against the wind (stand)
And I know I will survive (stand)
It is my destinyStand (stand)
With my head held high (stand)
Even though Im up against the wind (stand)
And I know I will survive (stand)

It is my destiny
