Cheekah Bow Bow (that Computer Song)

Vengaboys

Vengaboys are rockin' the house
I saw you in the disco
Last night in San Francisco
The way you used your joystick
It really makes my mouse click
Come sit down on my laptop
Cheekah bow bow
And do a little hip hop
Cheekah bow bow
Let's go into a chatroom
Cheekah bow bow
And do a little boom boom
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
I saw you in the disco
Last week in San Francisco
The way you used your joystick
Has really made me feel sick
The doctor checked my hard drive
Cheekah bow bow
A virus in my archive
Cheekah bow bow
My disc was not protected
Cheekah bow bow
And now I am infected
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow
Cheekah bow bow

Cheekah bow bow
Cheekah bow bow
