

Sing You to Sleep

Matt Cab

[VERSE 1]

Baby take off your coat
Tell me all about your day
And if you feel a little stressed
I can take the pain away If there's something that you're down about
 let me be your confident
 i'll be the perfect medicine
so come on drink me up and I know sometimes
 i'm gonna be a little rough
 but I promise
I'll be there when you get home [CHORUS]
 Let me sing you to sleep
 Imma sing you to sleep
 lay your head on my pillow
 Let me sing you to sleep
 Imma sing you to sleep
Baby let me ease your mind Sing it like
 na na na na na
 na na na na
 Let me sing it like
 na la la la la la
 na na na na [VERSE 2]
 Forget about the 9 to 5
 Pop a bottle of Chardonnay
 We can watch a little TV
and laugh the whole night away If there's something that is on your mind
 We can leave it all behind
 Tonight will be a getaway
just the two of us and I know sometimes
 You're gonna feel like giving up
 but together
we'll make it through the day (And I'll sing you-) [CHORUS]
 Let me sing you to sleep
 Imma sing you to sleep
 lay your head on my pillow
 Let me sing you to sleep
 Imma sing you to sleep
Baby let me ease your mind Sing it like
 na na na na na

na na na na
Let me sing it like
na la la la la
na na na na[BRIDGE]
You can lay down by my side
I will hold you tight
never ever ever let you go
put your worries to the side
imma make it alright
baby let me ease your mindif you got someone that you love
snap your fingers t the beat
tell them that you love them repeat
if you got someone that you love
snap your fingers t the beat
tell them that you love them[CHORUS]
Let me sing you to sleep
Imma sing you to sleep
lay your head on my pillow
Let me sing you to sleep
Imma sing you to sleep
Baby let me ease your mindSing it like
na na na na na
na na na na
Let me sing it like
na la la la la
na na na na
