

# Nameless (The 4th and the 10th)

## Earthtone9

the wear and tear  
has taken a toll here  
we are old  
we are alone  
and we are dead - dead - deadless is more  
more or less i guess  
if you're blessed with a second guess  
and did you bring a friend  
less is more  
more or less i guess  
if you're blessed with a second guess  
and did you bring a friend to load down on  
so load down on
