

# Loud Places [feat. Romy]

Jamie xx

I go to loud places to search for someone  
To be quiet with who will take me home  
You go to loud places to find someone who  
Will take you higher than I took you  
Didn't I take you to higher places you can't reach without me?  
Reach without me?

I have never reached such heights  
I feel music in your eyes  
I have never reached such heights

I go to those places where we used to go  
They seem so quiet now  
I'm here, all alone  
You go to new places with I don't know who  
And I don't know how to follow you

Higher  
I take you higher and Iâ€™ll take you  
Didnâ€™t I take you higher?  
I take you higher  
I take you higher and I take you  
Didnâ€™t I take you higher?  
Didn't I take you to higher places you can't reach without me?  
Reach without me

I have never reached such heights  
I feel music in your eyes  
I have never reached such heights  
Oh  
I feel music in your eyes  
I have never reached such heights

You're in ecstasy without me  
When you come down  
I won't be around
