Taxi Cab Confession

40 Below Summer

Close your eyes and come with me to a new place where we are unstoppable
Inhale and let the smoke fill your lungs and breathe the impossible
And as we follow these footprints a new world will begin
Can you feel it my brothers?
It's time to repentNow can I get an amen?
Why don't you come and follow me?
Can I get an amen?
Why don't you come and follow me?
Can I get an amen?
Why don't you come and follow me?
Can I get an amen?
Why don't you come and follow me?
I can feel your pain
If you let me (If you let me)
I'll save your soul
I'll take you away
If you're with me (If you're with me)
I'll make you whole amenNow can I get an amen?
Now can I get an amen?
Now can I get an amen?
Now can I get a...?And as we slowly separate from our worldly desires
We think the unthinkable
And we will swim together through the fire for we are unsinkable
And if we follow this path a new life with begin
Can you hear it my children?
It's time to confess
Now can I get an amen?
I can feel your pain
If you let me (If you let me)
I'll save your soul
I'll take you away
If you're with me (If you're with me)
I'll make you whole amenConfess, confess, digest and you will be saved by this
Confess, confess, digest and you will be saved by this
Confess, confessI can feel your pain
If you let me (If you let me)
I'll save your soul
I'll take you away
If you're with me (If you're with me)

I'll make you whole amenNow can I get an amen?
Now can I get an amen?
Now can I get an amen?
Now can I get an amen?
Now can I get an amen?Now can I get an amen?
Now can I get an amen?
Now can I get an amen?
