

Barracuda

Quantum Jump

To and fro
Like love, you come and go
Say, go see
Your friend Anemone
Barracuda
(Can can) Canny ballet
Barracuda
(Cha cha) Chatter away
She may know
Some dive where lovers go
Take her there
So far from anywhere
Barracuda... etc.
Now you know
How love can come and go
Bathed in blue
Like me, like you
Barracuda... etc.
