

My First Christmas (feat. Imx)

B2K

My first Christmas Santa will be coming to my town
And it will be his first time
I wish this for this day since I was just a little boy
And now it's here and it feels so good to say Merry Christmas to all of you all
I wonder how it's gonna feel to have My first Christmas time
It's so beautiful, so special to me
All my family gifts under my tree
My first Christmas My first Christmas time
It's so beautiful, so special to me
All my family gifts under my tree
My first Christmas Jingle bells will ring
The birds will sing, oh what a joy it will bring
Never thought I'd see the day
That Santa will bring Christmas my way
But it's here and it feels so good to say Merry Christmas to all of you, you, you and you
I wonder how it's gonna feel to have my first Christmas time here My first Christmas time
It's so beautiful so special to me
All my family gifts under my tree
My first Christmas My first Christmas time
It's so beautiful so special to me
All my family gifts under my tree
My first Christmas There's so much for my family
I'm breaking my neck trying to get to the tree
Trying to see what my mom and dad got for me
The big body Benz on 23's TV's on the back with DVD's
What a special day for me
Mama in the house cookin' collard greens
Turkey with the ham and mac an' cheese My first Christmas time
It's so beautiful so special to me
All my family gifts under my tree
My first Christmas My first Christmas time
It's so beautiful so special to me
All my family gifts under my tree
My first Christmas My first Christmas time
It's so beautiful so special to me
All my family gifts under my tree
My first Christmas My first Christmas time
It's so beautiful so special to me
All my family gifts under my tree

My first Christmas
