

# Luckie

Laura Nyro

Yes, Im ready, so come on, LuckieWell, theres an avenue of Devil who believe in stone  
You can meet the captain at the dead-end zone  
What Devil doesnt know is that Devil cant stay  
Doesnt know hes seen his dayOh, Luckies taking over and his clover shows  
Devil cant get out of hand  
'Cause Luckies taking over  
And what Luckie says goesDig them potatoes  
If youve never dug your girl before  
Poor little Devil, hes a backseat man  
To Luckie forever moreYes, Im ready, so come on, Luckie  
Luckie inside of me, inside of my mind, inside of my mindDont go falling for Naughty  
Dont go falling for Naughty  
Hes a dragon with his double bite  
Sure can do his shortchanging out of sight  
An artist of a sort but a little bit short of luck, this lucky nightOh, Luckies taking over and his clover shows  
Devil cant get out of hand  
'Cause Luckies taking over  
And what Luckie says goesDig them potatoes  
If youve never dug your girl before  
Poor little Naughty, hes a backseat man  
To Luckie forever, a backseat man  
To Luckie, hey, hey, hey  
Its a real good day to go get Luckie, go get LuckieIm gonna go get Luckie  
Im gonna go get Luckie  
Im gonna go get, Im gonna go get  
Im gonna go get LuckieYou gotta go, get on down, let 'em get away  
You gotta go, get on down, let 'em get away  
You gotta go, get on down, let 'em get away, yeah from youYeah yeah, from you, yes, [Incomprehensible]  
Yes, Im ready, yes, Im ready, ready for Luckie
