

# 2gether

## Vanilla

We can get together  
Now I don't usually do this  
But I ain't myself tonight  
I wanna drink a lil mo, mo  
Forget it all, all  
And dance till I'm dead, dead, dead on the floor (floor)  
E-very one must shine together tonight, tonight, tonight, tonight, tonight, tonight [2x]  
I-I-I been partying my whole life  
But something feels different tonight  
I been buzzin' my whole life  
But something bout you buzzin' me right (right)  
Yo  
This is club is goin' crazy  
You've got me goin' crazy  
This dj's goin crazy  
And now I'm elevated  
We havin' fun in here  
So hands up in the air  
We havin fun in here  
So get your hands up in the air  
Now I don't usually do this (this, this)  
But I ain't myself tonight (night, night)  
I wanna drink a lil mo (mo)  
Forget it all (all)  
And dance till I'm dead, dead, dead on the floor (floor)  
E-very one must shine together tonight, tonight, tonight, tonight, tonight, tonight [2x]  
I-I-I been lovin' my whole life  
But somethin' feels different tonight  
I been jumpin' my whole life  
But you got me jumpin' tonight  
Yo  
This is club is going crazy  
You've got me goin' crazy  
This dj's goin' crazy  
And now I'm elevated  
We havin' fun in here  
So hands up in the air  
We havin' fun in here

So get your hands up in the air (air, air, air...)  
Tonight I don't care  
We waited all year  
Everyone shine  
Get yo hands in the air  
[2x]Tonight I don't care  
Get yo-g-g-g-get yo hands in the air  
Everyone my shine together tonight [2x]  
Tonight tonight tonight tonight tonight tonight.....
