HEART OF STONE

IKO

Can you keep a secret?
Will you hold your hand among the flames?
Honey, youre a shipwreck
With your heart of stoneCan I get a witness?
To the bruises and the wasted tears
You could dry a river
With your heart of stone
With your heart of stoneI can breathe
I can breathe
Water
Water
I can breathe
I can breathe
Water
WaterWhen youre here with me,
Youre not here with meCan I pry your fingers,
From everything I say and do?
And I just cant forget you
And your heart of stoneI can breathe
I can breathe
Water
Water
I can breathe
I can breathe
Water
Water
I can breathe
I can breathe
Water
Water
I can breathe
I can breathe
WaterWhen youre here with me,
Youre not here with me
