

Infamous (with Mariah Carey & Jussie Smollett)

Empire Cast

[Mariah Carey]

Two life, all things are possible
Can't drink, my cup's been overflow
Right now I face the sunrise alone Your body closes into mine
Wishes break in and justify
Sweet hurricane of love flowing in the tide They say you mean the world to me
Say what you want, it's simple math
It's such a rush, reality
I'm so into you
I know it's dangerous, but I believe
A greater love there'll never be
I'm onto boy, so turn to see
Carry on and on and ride with me
Long as we're rolling we're ever more
Eh, eh, eh, eeh Rise up, this moment's [?]
Face time, come back to playing dangerous
My champion whenever saves the day
Ready to stop and start again
We turn to peaceful innocence
Go pass the places I've never shown I said you mean the world to me
Say what you want, it's simple math
It's such a rush, reality
I'm so into you
I know it's dangerous, but I believe
A greater love there'll never be
I'm onto boy, so turn to see
Carry on and on and ride with me
Long as we're rolling we're ever more Okay, we [?] the reputation,
It goes to day one, baby my day one
Know what we have
[?]
Ain't nothing like our [?]
Carry on and on and ride with me
As long as we're rolling, it's infamous
I call it space, so you know I mean oh
I know that my feelings are clouded
But baby we can't live without it
Love no game
Carry on and on and ride with me

As long as we're rolling, it's infamous
It's infamous
