

I Thank You Child

Zakk Wylde

All for you
Everlasting love forever skies of blue
All in your heart
Never ending just a means for start

[Chorus]

Comfort in your eyes
For the warmth inside your smile
Faith's done gone astray
It was you who made living all worth the while
I thank you my child
It was you who made living all worth the while
I thank you my child

With the touch of your hand
Amidst confusion I can see enough to understand
All my fears repressed
Oh lovin' you child it's the best

[Chorus]

You're all and everything to me
Til the end of times you know you'll always be
Ain't no second guess
Oh you put my worried soul to rest
