

Already Here

Brian Courtney Wilson

We watch and we wait Lord we anticipate...the moment, you choose to appear. We worship we praise until there's no debate, and we recognize your already here. Chorus: Hallelujah, hallelujah, hal-le-lu-jah Lead:

Hallelujah... your already here. Hallelujah...your already here.

Oh God. We watch and we wait Lord we anticipate...the moment, you choose to appear. We worship we praise until there's no debate, and we recognize your already here. Chorus: Hallelujah, hallelujah, hal-le-lu-jah Lead:

Hallelujah... your already here. Hallelujah...your already here.

Oh God. Hallelujah... Hallelujah You're here The balm for my wounded soul you're here, God, because you choose to make us whole. Chorus: Here

Repeat: x2
