By The Sea

Polyverse

She can walk out anytime, anytime she wants to walk out, that's fine
She can walk out anytime, anytime she feels that life has passed her by
And when I start my new life, I won't touch the ground
I'm gonna try hard this time not to touch the groundHe can walk out anytime, anytime he wants to walk out, that's fine
He can walk out anytime, across the sand, into the sea, into the brine
And when I start my new life I won't touch the ground
I'm gonna try hard this time not to touch the groundSo we sold the car and quit the job and shook some hands
And wiped the make-up right off and we said our good-byes to the bank
Left Seven Sisters for a room in a seaside shack
And when I start my new life I won't touch the ground
I'm gonna try hard this time not to touch the ground?It's by the sea we'll breed
Into the sea we'll bleed
