Big Scoop

The Eyeliners

Everybody's at the Big
Scoop now - oh yeah
On the corner of 4th
and Becker yeah
Dancing around with
the jukebox playing real loud
It's a rocking place and
you know there's always a crowdBaby let's goSitting in class trying
to stay awake, oh yeah
Thinking how to get
away oh yeah
12 o'clock and I know
my baby's there
I'm stuck here you
know I'd rather be
thereBored to tears I can't
take it anymore
Teacher looks away I'll
make a break for the
door
I've skipped this place
now I'm on my way
