Don't Say No More

Carla Thomas

Well, I can't stand to go on
With this conversation, oh no
Yeah, you made your point
And I've got the important information, yes, I haveOh, don't say no more
Oh, don't say no more
Than goodbye, yeah, bye byeLoving was a play toy
Undoubtedly, yes, it was
Or else you wouldn't take advantage
Of poor little meSo get away and don't say no more
Oh, don't say no more
Than goodbye, yeah, goodbyeWell, I can't stand to hear
Your excuses, no no
I suffer long enough
Too many abusesSo get away and don't say no more
Hey, get away, don't say no more
Than goodbye, hey, bye byeOh baby, oh baby, don't say no more
Get away, don't say no more
Just goodbye, yeah, goodbye
